I. BACKGROUND

A. The United States of America ("United States"), on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), filed a complaint in this matter pursuant to Section 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. §§ 9606 and 9607, seeking penalties and reimbursement of response costs incurred and paid for response actions taken at or in connection with the release or threatened release of hazardous substances at the Sealand Restoration Superfund Site on Lisbon, New York ("Site").

B. The defendant that has entered into this Consent Decree ("Settling Defendant") does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaints.

C. The United States and Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

II. JURISDICTION

V. REIMBURSEMENT OF RESPONSE COSTS

4. Payment of Past Response Costs and Civil Penalties. Settling Defendant shall pay to the United States \$1,200,000 in reimbursement of Past Response Costs and a \$100,000 civil penalty pursuant to Section 106 of CERCLA. Settling Defendant shall not deduct the civil penalty paid under this Paragraph in calculating its federal income tax. The total sum of \$1,300,000 shall be paid in four equal installments of \$330,280 which includes Interest on any unpaid portion the Settlement Amount calculated at 4.34 percent per annum accruing from thirty days after the Effective Date, amortized over the payment period. Settling Defendant shall make the first payment within 30 days of the Effective Date and shall make subsequent installment payments in 120, 240 and 360 days thereafter.

5. Procedures for Payment.

a. Settling Defendant shall make payments required by Paragraph 4 by FedWire Electronic Funds Transfer (“EFT”) in accordance with current EFT procedures to the U.S. Department of Justice account in accordance with instructions provided to Settling Defendant by the Financial Litigation Unit of the U.S. Attorney’s Office in the Northern District of New York. Such payment shall reference the USAO File Number (provided after lodging of this Consent Decree), EPA Region II, Site/Spill identifier 022M and DOJ Case No. 90-11-3-06953/2.

b. Any payments received by the United States after 4:00 p.m. Eastern Time shall be credited on the next business day. Within seven days of each payment, Settling Defendant shall send notice to EPA, DOJ, the EPA Cincinnati Finance Office

and the Regional Financial Management Officer in accordance with Paragraph 26, and by email to acctsreceivable.cinwd@epa.gov, that payment has been made. The notice shall reference the date of the EFT, the payment amount, the name of the Site, Settling Defendant's name and address, the USAO File Number, the Site/Spill identifier and the DOJ Case Number.

6. The amount paid pursuant to Paragraph 4 shall be deposited in the Sealand Site Special Account within the EPA Hazardous Substance Superfund, to be retained and used to conduct or finance response actions at or in connection with the Site or to be transferred by EPA to the EPA Hazardous Substance Superfund.

7. EPA will allocate \$150,000 of the amount paid under Paragraph 4 to reimburse EPA's response costs incurred in reviewing or otherwise overseeing the work being performed by the Performing Parties under the 1998 Consent Decree. The Performing Parties' obligation under the 1998 Consent Decree to reimburse such response costs incurred by EPA shall therefore be reduced by this amount, reflecting a contribution by Settling Defendant to the cost of overseeing the work under the 1998 Consent Decree.

VI. FAILURE TO COMPLY WITH REQUIREMENTS OF CONSENT DECREE

8. Interest on Late Payments. In the event that the payment required by Paragraph 4 (Payment of Past Response Costs) or Paragraph 9 (Stipulated Penalty), are not received when due, Interest shall continue to accrue on the unpaid balance through the date of payment.

9. Stipulated Penalty.

a. If any amounts due under Paragraph 4 are not paid by the required date, Settling Defendant shall pay to EPA as a stipulated penalty, in addition to the Interest required by Paragraph 8, \$750 per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the written demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be made by official bank check made payable to "EPA Hazardous Substance Superfund" and shall be sent to the U.S. Environmental Protection Agency, Fines and Penalties, Cincinnati Finance Center, P.O. Box 979077, St. Louis, MO 63197-9000. All payments shall indicate that the payment is for stipulated penalties and shall reference Settling Defendant's name and address, the EPA Region and Site/Spill identifier, the USAO File No., and the DOJ Case Number. Copies of check(s) paid pursuant to this Paragraph, and any accompanying transmittal letter(s), shall be sent to EPA, DOJ, the EPA Cincinnati Finance Office and the Regional Financial Management Officer as provided in Paragraph 26, and by email to acctsreceivable.cinwd@epa.gov.

c. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a written demand for payment but such penalties need only be paid upon written demand. All penalties

shall begin to accrue on the day after complete performance is due or the day a violation occurs and shall continue to accrue through the final day of correction of the noncompliance or completion of the activity. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

10. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

11. Payments made under Paragraphs 8 through 10 shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant's failure to comply with the requirements of this Consent Decree.

12. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section V or from performance of any other requirements of this Consent Decree.

VII. COVENANT NOT TO SUE BY PLAINTIFF

13. Covenant Not to Sue by United States. Except as specifically provided in Paragraph 14, the United States covenants not to sue Settling Defendant (a) pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs; and (b) pursuant to Section 106(b)(1) of CERCLA, 42 U.S.C. § 9606(b)(1) for Settling Defendant's failure to comply with the Unilateral Order. This covenant not to sue shall take effect upon receipt by EPA of all payments required by Paragraphs 4, 8 and 9. This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

14. Reservation of Rights by United States. The covenant not to sue set forth in Paragraph 13 does not pertain to any matters other than those expressly specified therein. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all other matters, including but not limited to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- c. criminal liability;
- d. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606, other than regarding the Unilateral Order;

e. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs; and

f. liability pursuant to Section 107 of CERCLA for response costs incurred at any time by the State regarding the Site or the monetary value of any credit granted by EPA to the State pursuant to Section 104(c)(5) of CERCLA, 42 U.S.C. § 9604(c)(5), related to such costs that the State has incurred.

VIII. COVENANT NOT TO SUE BY SETTLING DEFENDANT

15. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of the response actions at the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of New York, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

16. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

17. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action that it may have for all matters relating to the Site, including for contribution, against: (a) any person that has entered into a *de minimis* settlement under Section 122(g) of CERCLA, 42 U.S.C. § 9622(g), with EPA regarding the Site as of the Effective Date; and (b) the Performing Parties. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against Settling Defendant.

IX. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

18. Except as provided in Paragraph 17, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 17, each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect

to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

19. The Parties agree, and by entering this Consent Decree this Court finds, that this Settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling Defendant is entitled, as of the Effective Date, to protection from actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” are (a) Past Response Costs; (b) all response costs incurred at or in connection with the Site through the Effective Date by any other person, other than the State; and (c) all response costs incurred and to be incurred by Performing Parties pursuant to the 1998 Consent Decree, provided, however, that “matters addressed” do not include response costs to be incurred by Performing Parties to the extent the United States institutes new proceedings or issues administrative orders pursuant to rights the United States has reserved in the 1998 Consent Decree.

20. Settling Defendant hereby waives all contribution actions or claims, pursuant to Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), regarding “matters addressed,” as defined in Paragraph 19, that it may have against any person, other than a person asserting a claim or cause of action against Settling Defendant regarding the Site.

21. Settling Defendant agrees that, with respect to any suit or claim for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also agrees that, with respect to any suit or claim for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within ten days of service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within ten days of service or receipt of any Motion for Summary Judgment, and within ten days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

22. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Paragraph 13.

X. RETENTION OF RECORDS

23. Until seven years after the Effective Date, Settling Defendant shall preserve and retain all records, documents, reports or information (hereinafter referred to as “Records”) now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person

for response actions conducted and to be conducted at the Site, other than Records prepared by the U.S. Department of Justice, the U.S. Environmental Protection Agency or third parties under contract to either agency, regardless of any corporate retention policy to the contrary.

24. After the conclusion of the document retention period in the preceding paragraph, Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ, Settling Defendant shall deliver copies of any such Records to EPA. Settling Defendant may assert that certain Records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, it shall provide Plaintiff with the following: (a) the title of the Record; (b) the date of the Record; (c) the name and title of the author of the Record; (d) the name and title of each addressee and recipient; (e) a description of the subject of the Record; and (f) the privilege asserted. However, no Record created or generated pursuant to the requirements of this or any other consent decree with the United States shall be withheld on the grounds that they are privileged. If a claim of privilege applies only to a portion of a Record, the Record shall be provided to Plaintiff in redacted form to mask the privileged information only. Settling Defendant shall retain all Records that it claims to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in Settling Defendant's favor.

25. By signing this Consent Decree, Settling Defendant certifies that, to the best of its knowledge and belief, it has:

a. conducted a thorough, comprehensive, good faith search for Records and has fully and accurately disclosed to EPA all Records currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage, or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Site;

b. not altered, mutilated, discarded, destroyed, or otherwise disposed of any Records relating to its potential liability regarding the Site after notification of potential liability or the filing of a suit against Settling Defendant regarding the Site; and

c. fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e).
